University Orchestra

Directed by Dr. J. Robert Gaddis

The University Orchestra, under the direction of Dr. J. Robert Gaddis, was quite busy with performances of the Christmas Tapestry, Winter Concert, Concerto Concert, and the Spring Concert.

The Concerto Concert is a new series that features student soloists performing well-known concertos with orchestra accompaniment. This year's soloists included Ju-Eun Kim, violinist, performing the Eduard Lalo Violin Concerto, and Felix Borges, cellist, performing the Dvorak Cello Concerto. A wide variety of art classes were available to students during the 2006 fall semester. One that art students enjoyed was the 3-D design class taught by Tommy Clark. Students learned aspects of design while completing complicated projects such as kaleidoscopes and toy robots. These specialized courses offer art students a chosen chance to learn and develop skills that interest them, and that they can utilize in their futures.

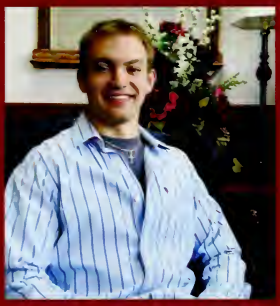
Mr. and Miss Campbellsville

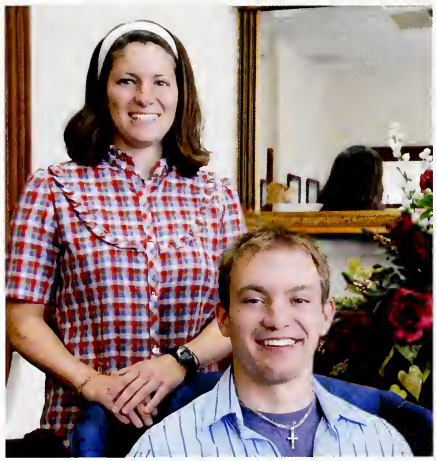


Korey Mitchell

Mitchell, is the son of Kenny and Joanna Mitchell of Huntington, W. Va. He is a 2007 graduate with a major in biology and minor in chemistry. He has been named to the academic dean's list and to Who's Who Among Students in American Universities and Colleges. Mitchell also received the Rotary Award, Alumni Association Double A Award and the Biology Award at Honors and Awards Day.

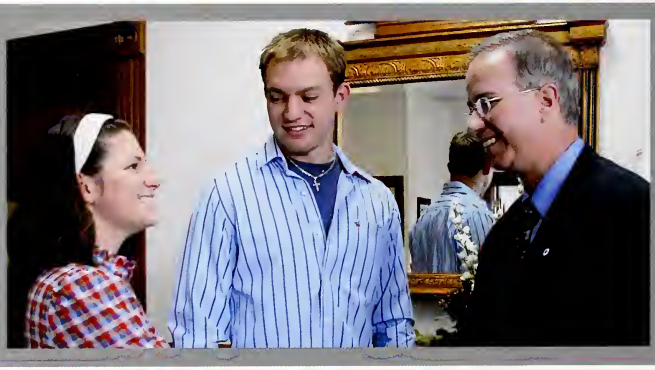
Korey Mitchell of Huntington, W.Va., and Lindey Nelson of Jacksonville, Ala. were named Mr. and Miss Campbellsville at the Honors and Awards Day, held for the first time in the new Ransdell Chapel.

Mr. and Miss Campbellsville are two students who best exemplify a typical student. The honor is based on scholarship, leadership, character and the potential for success, said Dr. Michael V. Carter, president of Campbellsville University.



Lindey Nelson

Nelson is the daughter of Doug and Jo Nelson of Jacksonville, Ala. She is a 2007 magna cum laude graduate with a major in art education. Nelson also received the Art Award at Honors and Awards Day and has been named to Who's Who Among Students in American Universities and Colleges. She is a member of the CU Women's Tennis Team and a founding member of Spin it, which is a reading ministry started by CU students.



"Campbellsville, We Love Thee"

Campbellsville, we love thee,
And we hail thy name;
thou has been a blessing
And thou art still the same;
Highest praise and honor
We do gladly bring to thee,
We will sing in gratitude,
Eternally.

Campbellsville, God bless thee,
Keep thy standards high;
May God's presence linger
And hearts to Him draw nigh;
Whey thy task on earth is o'er
And learning there's begun,
May thou hear the voice of God,
"Well done, well done."

To every thing there is a season,
and a time to every purpose under heaven:
A time to be born, and a time to die;
a time to plant, and a time to pluck up that which is planted;
A time to kill, and a time to heal;
a time to break down, and a time to build up;
A time to weep, and a time to laugh;
a time to mourn, and a time to dance;
A time to cast away stones, and a time to gather stones together;
a time to embrace, and a time to refrain from embracing;
A time to get, and a time to lose;
a time to keep, and a time to cast away;
A time to rend, and a time to sew;
a time to keep silence, and a time to speak;
A time to love, and a time to hate;
a time of war, and a time of peace.

Letter from the President

As we look back on this past 2006-07 academic year, we can see that it has been an historical year. As we conclude our centennial year, we once again are thankful for the growth and improvement of Campbellsville University. The university had its 14th semester of record enrollment of 2,374 students in fall 2006 followed by a record spring 2007 enrollment of 2,217 students.

Campbellsville University continues to make great strides in the academic program areas. The School of Education and The School of Business both received national accreditation for their respective areas. The ACCEL (Adult College Choice for Evening Learners) program showed an 86% growth with more people taking advantage of the evening degree program. The School of Nursing program has completed its first full year of classes and enrollment is growing in this program. Retention from the fall 2006 to spring 2007 reached an all-time high of 87.9%. Our international student population hosted 188 students representing 35 different countries a record at CU.

Once again, CU continues to improve the campus facilities. The Ransdell Chapel was dedicated on April 18, 2007 with Dr. Frank Page, president of the Southern Baptist Convention, as the guest speaker. This wonderful worship facility will seat 800 and allow many opportunities for worship and learning in a state-of-the-art environment.

Other construction projects include completion of the second floor of the Hawkins Athletic Complex, which provides classroom and office space. The art gallery moved to a house across the street from Gosser Fine Arts Center. The house has been converted into a gallery and offers a nice location for display of student work.

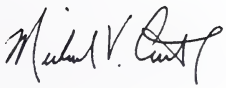
When you return in the fall, you will notice the Gosser Gymnasium, an auxiliary gym for intramural sports, and the Residence Village addition. Finley Field will be updated and will allow a better playing surface and stands for our fans.

As you can see, Campbellsville University has grown in both programs and facilities, but more importantly the spirit of Christ is alive and growing around campus. Through the vast work of our mission teams (both at home and abroad), spirit-filled campus revivals and ministry opportunities to the community, our students are truly learning and practicing steward leadership.

As we enter our second century of Christian higher education and service, we will continue to strive to further Campbellsville University. We must thank our dedicated faculty and staff. Without their hard work and example we would not be where we are today.

We pray that the over 400 Campbellsville University graduates will be a force of betterment for our communities as they continue to lead others in Christian example. These students are true testaments that as you study and learn

Most Cordially,



Michael V. Carter
President
Campbellsville University

The 2007 Maple Trail was published by Jostens Publishing Company in Clarksville, Tennessee. The book contains 196 pages of photos and memories of the college. It not only reminiscences the 2007 school year but also celebrates the 100-year anniversary of Campbellsville University.

The collections of photographs featured inside this book were taken by the Office of University Communications, Sports Information, Supertone Studio, and the Maple Trail Staff.

I would especially like to thank Dr. Michael V. Carter, Dr. Frank Cheatham, Mr. Otto Tennant, and Dr. John Burch for their support and encouragement. I would also like to thank Joan McKinney and Bryan Blair for their help on this massive project. Importantly, I would like to mention Billy Hargis, our Jostens yearbook representative, for being available to answer any of our questions on compiling the information in the correct format.

This yearbook celebrates the 100 year anniversary of the University making it a special edition of memories. The people instrumental in the pictorial aspect of the book were Sandra Riggs and Mary Street. Mrs. Riggs provided help on the arts section and the photography, and Mrs. Street provided the project with pictures and history of the university. I am also thankful for Patty McDowell, the yearbook advisor, who made sure the information was gathered and pages were completed in time for publishing.

I foremost thank God for His endless flow of blessings He has given me. I hope this yearbook accomplishes our goal to bring the memories of the past and the present together in a commemorative keepsake each of you will treasure for years to come. May God bless each and everyone.

Amanda Hicks,

Editor
